## KASBAH MAKES KEY MANAGEMENT APPOINTMENTS

---

Kasbah Resources Limited (KAS) is pleased to announce the appointments of two very senior technical staff to the Kasbah management team.

The appointments are:

- **Mr Alf Gillman – Executive Manager Geology, and**
- **Mr Michael Kitney – Development Manager.**

Mr Alf Gillman is a geologist with over 25 years of international experience in gold, uranium and base metal exploration. He has managed successful exploration teams in Australia, Papua New Guinea and Africa and has carried out numerous project evaluations throughout the world. The key skills Mr Gillman brings to Kasbah include resource evaluation and project generation.

He will manage all Moroccan exploration, resource development and project generation activities.

Mr Mike Kitney is an internationally experienced metallurgist with significant study to construction project development expertise. Mr Kitney has developed and constructed projects throughout Africa, the CIS and Australia and his project engineering, design and construction management skills will be critical to the evaluation and development of El Karit and Achmmach Tin Projects.

Mr Kitney will manage all evaluations studies for Kasbah.

Managing Director Wayne Bramwell said:

“Mr Gillman and Mr Kitney are significant additions to our management team and underline the seriousness in which we are approaching Morocco. Their technical depth, along with their African and International project expertise brings significant additional firepower to our company.

It will be a pleasure to work along side them.”

The Board and Management welcome Mr Gillman and Mr Kitney to the Kasbah team.
