## ASX RELEASE

### KASBAH RECEIVES ENVIRONMENTAL APPROVAL FOR ACHMMACH TIN PROJECT

Kasbah Resources Limited (ASX: KAS; Kasbah) is pleased to announce that the National Committee for Environmental Impact Studies (CNEIE) has approved the Environmental and Social Impact Assessment (ESIA) for its Achmmach Tin Project in the Kingdom of Morocco.

Kasbah welcomes the approval of the ESIA report, which represents a major development milestone for the Company's flagship Achmmach Tin Project.

Kasbah Chief Operating Officer Mike Kitney said:

*"This approval clears the way to finalise applications for water and land access for the Project's operational requirements and to obtain our mining concession.*

*The ESIA approval also satisfies a key investment criterion for our joint venture partners and investors in the Achmmach Tin Project."*

ENDS

Kasbah's environmental monitoring and management plan can now be finalised for submission to the CNEIE as part of the final permitting process.
